All Buyer Members:

### TARGET QUANTITY FOR SAMPLE ENTITLEMENT

Dear Sir, (Sample Year 2015-16)

In pursuance of the decision of Governing Body in its meeting held on 12<sup>th</sup> September, 2014, we are to inform you that **the target quantity of sample entitlement for the purchase year 2014-15 (3<sup>rd</sup> year) will be the same as qualified quantity (before rebate) of preceding year 2013-14.** This will enable the Buyers to know the target purchase quantity of sample entitlement well before the end of the respective session. In future also if the third year (out of three year sample entitlement) selling quantity is of higher side of its preceding year then the target qualifying quantity of sample entitlement will be fixed on the basis of 2<sup>nd</sup> year target qualifying quantity without allowing any rebate or concession. This will however not be applicable if the sold quantity of the 3<sup>rd</sup> purchase year is less than its preceding year sold quantity.
