**To**  
**All Broker Members**

Dear Sir,

The Warehousing Advisory Body members during their inspection in SreeMa Tea Warehouse, Unit-5 on 17<sup>th</sup> October, 2014 found that many bags after sampling were lying on the floor with mouth open. Sample of those bags were collected one or two days before. In accordance with the decision of Warehousing Advisory Body we reiterate that sample collector/supervisor has to supervise the machine stitching of sample bags after sampling.

The Warehousing Advisory Body decided that strong action might be taken if the bags are found open mouth after sampling.

This is for your information and compliance.

Thanking you,

Yours faithfully,

  
Secretary
