Sub: Request for accepting teas complied with FSSA, 2006 norms

Dear Sir(s),

With reference to the above subject, it is to inform you that off late Tea Board is coming across many cases where the teas purchased from the Auction Centres are not complying to the standards stipulated by FSSAI although the producers are providing declaration in respect of FSSAI compliance before auctioning their teas. These purchased teas are either used in the local market or exported out of the country.

You are therefore requested to take up the matter with your concerned producer members only and ensure that only quality teas are auctioned in your centres.

Yours faithfully,
