To  
All Buyer Members:

**Sub: Sample entitlement P.Y 2013-14**

Dear Sir,

In accordance with the decision of Sample Advisory Body **a rebate of 9% is allowed on the target quantity of entitlement of free trade sample for the purchase year 2013-14** on a/c of CTC Leaf & Dust category. It was decided that **from purchase year 2014-15 no concession or rebate will be allowed on the entitled quantity of Sample**. The condition of granting rebate is valid up to and including the P.Y 2013-14 only and would not be taken as precedent for considering entitlement of sample in future.

Thanking you,

Yours faithfully,

Secretary
